The most-asked question every year is: “when are the Garage Sales?”

Southwood Park will have two again this year on **June 8 and August 3.**

The Association will place ads in Fort Wayne Newspapers and post signs around the neighborhood. You should post balloons or a sign in front of your house on those Saturdays to let buyers know you are participating. Avoid placing signs in the public right-of-way, especially on major streets outside the neighborhood. Doing so is illegal, and signs are often confiscated by “sign patrol vigilantes” in other neighborhoods.

It’s a great way to make space in the garage or basement, earn a little pocket cash, and get out and meet your neighbors!

Digging, Detours, and Driving

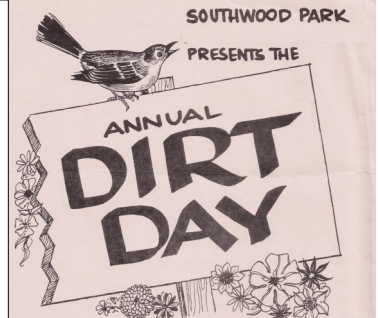

Work on the Deep Rock Tunnel combined sewer project will move to Rudisill and Old Mill about June 1. (Google ‘Mamajo Fort Wayne’ for more information.) That means that intersection will be closed for at least 15 months!

The detour for Foster Park and the neighborhood will officially be Lexington and Fairfield Avenues. We expect there will be many people searching for their own magical “northwest passage” to beat the detour. Expect confused drivers and unusual traffic for the duration.

The majority of drivers will be—just as now—folks from our neighborhood.

- **Please give yourself extra time.**
- **Please keep your speed down.**
- **Don’t try to “beat the light”.**

The Association will purchase a number of “**Drive Like Your Kids Live Here**” signs. If you want one, contact a board member or email southwood_park@yahoo.com. Thanks!

Every year since 1978, the Association has purchased quality soil for residents to use in their gardens, flower pots, and yards. This is our 41st year helping Southwood Park gardeners! On May 4th, we are having quality tri-mix peat soil from Felger’s Peat Moss delivered. Delivery time is planned 7-10AM. All you have to do is take your wheelbarrow to the sites and get what you need!

If there is a weather-related delay, we will announce plans on Facebook and our website. The rain date is May 11.

There are three dirt sites: *Indiana Avenue at Maxine Drive; South Wayne Avenue at Maple Grove Avenue; and Sunset Drive at Crestwood Drive (the triangular island)*

Dirt is for Historic Southwood Park homes only! No dumping. Please take only what you need, and be considerate of other neighbors. Don’t be a “dirt hog!”
